

PAD 26/62
8 March 1962

MEMORANDUM FOR: Director, NPIC
THRU: Executive Director, NPIC
FROM: Chief, CIA/PAD(NPIC)
SUBJECT: Evaluation of Field Support to DDP/WH4

1. During the discussions that took place prior to detailing [redacted] of this Division on TDY to WAVE, it was stated that the situation would be reviewed prior to completion of the sixty-day TDY. 25X1
2. [redacted] arrived WAVE 11 January 1962, thus due to return Washington, 12 March 1962. Correspondence with [redacted] during this period has indicated that he has been most busy and supplying considerable photo interpretation support to WAVE operations and planning. Most of the activity has been related to planning with every indication that extensive operations are imminent at which time the requirement for photo interpretation support will become more intense. In addition, considerable materials have been forwarded to WAVE, at [redacted] request, further indication of the extent of support being rendered. 25X1
3. Several administrative details plagued [redacted] during the early part of his tour but these have now been remedied, for the most part. Communication arrangements have recently been established thus enabling this Division to more efficiently support [redacted] 25X1
4. Recent discussions with DDP/WH4 personnel have indicated their continued satisfaction with the support we have rendered at WAVE. With regard to continued support at WAVE and whether to detail a replacement for [redacted] they definitely desire continuation. A letter requesting such is forthcoming from DDP/WH4. 25X1
5. It is therefore recommended that [redacted] return Washington on or about 27 March and [redacted] be detailed TDY WAVE for a period of 60 days. [redacted] would arrive WAVE on 22 March, providing for five days overlap. 25X1
